

# Blue Skies Ahead

Spring is here. Temperatures are warmer. And, we're feeling great because we have some exciting Vaccine News to share.

**We're moving forward with additional access to vaccines for patients, residents and staff at the Bridgeways and Avalons.**

- 🍷 The vaccines will be provided by our long-term care pharmacy ReUnion RX.
- 🍷 Vaccines will be administered by a licensed pharmacist.
- 🍷 The Bridgeways and Avalons are proud that our resident and staff vaccination rates are well above state and national averages.

**Visitation and socialization opportunities have expanded with the newest guidance received.**

- 🍷 New Jersey Department of Health has expanded visitation to include indoor visits (this is not just for vaccinated people).
- 🍷 Fully vaccinated residents can enjoy close contact, including hugs from visitors.
- 🍷 Socially distanced dining and activities are now offered daily for residents.

**Our tours and move-in protocols are designed to welcome you.**

*For more information about any of our COVID policies and opportunities to move in, please call:*

**(908) 274-1090**
